Summery

Rural Technology skill & Development (C.S.V.)

Rural development is the key aspect of sustainable development. Many developmental schemes were introduced by the government as well as the non- governmental organizations. Farming is the main source of income for rural people . In present scenario many people committed suicide in rural area due to un-production through the farming . so it is expected that they get some additional source of income and also familiar with modern technic of the farming and small scale business.

As a social work professional institution, we have MOU with center of science for village, Dattapur. The institution arrange varied certificate course for the students to learn new skills and qualities for the purpose of professional and personal development. In this context, We have implemented three month certificate course of rural technology and skill development and 10 Students have been benefitted through it.

Objectives.

- To develop practical skill use of rural technology.
- To equip learners with the theoretical knowledge to work with rural community.
- To understand scientific and technological information for rural areas.
- To develop appropriate rural Technology for village development.

Output:

- They relies to live Rural or environmentally balance life.
- They Aquaria knowledge of waste management recycle.
- They learned to live eco-friendly life.
- They learn about modern agricultural tools as well as other allied professions.
- They learned Agri – Processing Technology.

SPOKEN ENGLISH COURSE REPORT-2019-20

The Spoken English Course for the academic year 2019-20 was organized by the department of English from 25th November 2019 to 25 December 2022 for the BSW first year students of College. There were 16 students taken admission in this course.

The Course was inaugurated with the lighting of the lamp by Principal Dr. Milind Sawai were present at the time of inauguration ceremony. Principal congratulate the department of English for continuously organizing such add on Course and giving exposure the rural student. Apart from learning English, much importance was given to the development of soft skills. Total 30 lectures were conducted to complete this course.

It was a good opportunity for each and every student to express himself or herself on the stage and it was a motivating force to develop their confidence in learning English. To create interest for the language some appropriate English movies were shown to them. Every weekend oral test was taken to check the progress of the students. Atmosphere was created for the students to speak only in English. Mr. Ashish R. Katore, Co- coordinator of this certificate course and Dr. Ram Savnekar has worked as a resource persons in the course. The course was fruitful. It was seen in the students who really worked hard and made a lot of effort to speak in English. The course came into the conclusion with a cultural program. The programme was well prepared with the help of the students of the department of English Finally Certificates were issued to those student who have completed the whole course..

Certificate Course on Gender

Date 1 to 31st March

Objectives of the Program:

1. Explain to the students the different between sex and gender.
2. To discuss on various type of gender.
3. To discuss on violence dimension based upon gender.
4. To Understand nature of gender in the family system and social system.
5. To Understand various patriarchy and gender.
6. To Understand gender in education.
7. To aware students about the concept of gender.
8. To Understand need of gender equality in modern situation.
9. To Understand youth role in gender equality.

Brief summary of the program:

Sr.N.	Course Name	Date	Place	Beneficiaries
1	Certificate Course on Gender	1 to 31 st March	Wamandada Kardak Hall	60

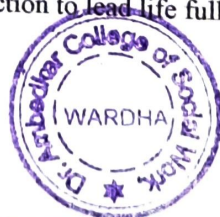

Today gender discrimination and violence is the main issue faced by the society without equality expected development is not possible. So the equal opportunity for women is the only way for sustainable development. In present scenario women's remarkable contribute in every field but still they not get equal respect and opportunity for development. So awareness among college going students is the best way to increase gender equality in society for everyone.

In this course gender and its various aspect like, gender discrimination, gender in education, gender in society, health awareness were focus and motivate students to play a vital role for gender equality. Gender and violence as well as the area identified with gender inequality, role of the youth for gender equality. All these topics were addressed in this Certificate Course. Every day two hour long lectures was organized various aspect of gender. Sixty students had enrolled for this course. In every question answers session many students actively participated. The valuable thing to note here is many student gave in their feedback and expressed their commitment towards working for gender equality.

Outcome of the Program:

1. The curriculum of Gender sensitivity helps students to understand the concept of gender. Through this course Students learn to respect different sexualities.
2. Students become aware of various areas, types and gender inequality.
3. Gender studies brought awareness to health issues and social issues arising from violence due to gender inequality.
4. Helped to understand the gender disparity in the education sector.
5. Students were aware about their role should be perform for sustainable development regarding gender equality in future.
6. The students got the direction to lead life full of dignity, equality and develop their personality thought this course.

Certificate Course of English Language Proficiency

Report 2020-21

The Department of English, under the guidance of the Principal Dr. Milind Sawai, came up with idea of English Language Proficiency for the students of the College. The course primarily was meant for those students who face difficulties and are unable to acquire English language skills properly. Thereupon, through a collective effort of the Department and valuable inputs from the Principal, a module was drafted. However, the Department felt that since the course is meant for the beginners, it would be better to arrange the content module according to the requirements of the students. The Certificate Course of English Language Proficiency for the academic year 2020-21 was organized by the department of English from 1 march 2021 to 31 March 2021 for the BSW-Vth sem students of College. There were 32 students taken admission in this course.

The Course was inaugurated with the lighting of the lamp by Principal Dr. Milind Sawai were present at the time of inauguration ceremony. Principal congratulate the department of English for continuously organizing such add on Course and giving exposure the rural student. Apart from learning English, much importance was given to the development of soft skills. Total 30 lectures were conducted to complete this course. It was a good opportunity for each and every student to express himself or herself on the stage and it was a motivating force to develop their confidence in learning English. To create interest for the language some appropriate English movies were shown to them. Every weekend oral test was taken to check the progress of the students. Atmosphere was

CERTIFICATE COURSE

GENDER EQUALITY FOR SUSTAINABLE FUTURE

2021-22

SUMMARY

College of Arts and Science and Commerce Chikhaldara in association with Department of Sociology, Ambedkar College of Social Work, Wardha organized a certificate course on "gender equality for a sustainable future" from 29/04/2022 to 13/05/2022.

The said certificate course was conducted online on Google Meet. A total of 276 students registered for the course through the online Google Form. Out of them 100 students were selected through online and offline interview. 6.00 pm to 8.00 pm was decided after discussing with the first student for this online course.

The seminar was inaugurated on 29/04/2022 at 6.00 PM and the first session of this course was also conducted. In this certificate course, people who are experts in their respective subjects from all over Maharashtra have benefited as experts. For about one and a half hours, the topic was presented and after that the students had time for question and answer. The students enthusiastically asked questions and the speakers answered their questions. Each session used to last more than two hours and sometimes even more than three hours.

All the speakers presented the topic in detail according to the topic given by the practitioner. He also satisfied the students by answering their questions. Interestingly, students also expressed their reactions to the speakers in each session. Last session in this certificate course on 13/05/2022 was conducted by Dr. Smriti Tambe, Head of Sociology Department Savitribai Phule Pune University post which the note of thanks was held. The researcher concluded.

Online test was conducted for this fifteen-day certificate course. Feedback form was also filled online by the students. After that, the students were given a certificate for successfully completing the course.

In this course, there is a plan to discuss with the students and resource persons and make some recommendations to the government based on their questions and reactions, so that a healthy society will be created by increasing gender equality in the society.

Outcomes

1. Students were familiarized with using online tools like google forms, meet etc. for content delivery.
2. Students became aware of various areas, types and their side effects of gender inequality.
3. Gender studies brought awareness to health issues and social issues arising from violence due to gender inequality
4. Students were sensitized about gender equality
