One day workshop on Intellectual property was jointly organized by Dr. Ambedkar College of social work wardha & B.P. National Institute of Social Work (BPNISW), Nagpur.

Introduction of Workshop:

In the beginning of workshop Dr. Nanda Pangul focused on aim & objective of workshop. She also appealed to all participants for active participation. In the present situation research scholar, innovators, writers have to aware their rights about Trademark, Copyright, and Patents & Monogram. In the research area Copy right and other IPR related awareness is less than expected and required. So it is very much important that we get proper as well as technical knowledge of its application. Because of less awareness plagiarism is the main problem in literature.

Objective of the Workshop:

1. To bring awareness and sensitization among teaching and non teaching staff about Intellectual Property Rights Act.
2. To organize healthy discussion on the act regarding the provisions made under the act. so that practitioner can understand the importance of the act and bring it in self practice to control and avoid malpractices.
3. With the help of the conference it was expected to bring honesty, pimplly and Scientifics in research thesis work, books writing and reporting work.
4. To bring literacy and awareness about plagiarism.
5. To make enable to institution, groups and individuals so that they would protect their intellectual properties and they should know, how to proceeds for justices incase of any malpractices evils.
6. To make clarity in case of Trade Mark, Copy Rights, Patents, Monograms etc.

7. To bring understanding among professionals and practitioner in research work and how to use references and avoid plagiarism.

Dr. Komawar inaugurated the workshop and he narrated the significances and use of IPR as a tool for creating wealth through need based research.

He narrated IPR is concerned with protection of tangible and intangible property. It provides reward and recognition to inventor / contributor or for their research design, discoveries, inventions etc.

Adv. Admane the Guest of Honor, told that in the present ERA, Greater awareness about the issue of IPR which has gained a special importance for all the domains of social work and socioeconomic development.

Dr. Tulankar in his address told that in the present era of sciences & technology the awareness of IPR is necessary for social work profession. Academic staff as well as students should think and conduct research in an innovative way so as to create intellectual property. It is necessarily away to intellectual wealth.

He further added that this workshop is a golden opportunity to understand a complex

issue like IPR from the experts, all participants should take advantage.

Resource person Dr. Mangala Hirwade gave a power point presentation. She began her session by giving example of Maharashtra, where in weapons used and compared it with technological advances today. Latter she explained in details as to what is a Patent, the jurisdiction of Patent, office culture of Patent and to what all contents cannot be granted.

Dr. Hirwade explained in her second session about Copyrights, Designs, Trademarks Graphical Indication and legislations on IPR in India.

Workshop concluded by valedictory function under the chairmanship of Dr. L.S. Tulankar, (Principal, BPNISW), Chief Guest was Dr. Vijay Shinganapure, (Chairman, Board of studies in Social Work, RTM Nagpur university) on this occasion, Dr. Shinganapure congrats the organization for organizing the workshop on Intellectual property Rights. In presidential speech Dr. Tukankar told the importance of the subject and appealed that to organize workshop in with collaboration. Programme was conducted by Dr. Pournima Ganthade, Liberian (BPNISW). In this workshop 81 participants were present.
